

# Somebody That I Used To Know Chords

---

[Intro]

Gm F Gm F x5

[Verse 1]

Gm F Gm F Gm F Gm F  
Now and then I think of when we were together  
Gm F Gm F Gm F Gm F  
Like when you said you felt so happy you could die  
Gm F Gm F  
Told myself that you were right for me  
Gm F Gm F  
But felt so lonely in your company  
Gm F Gm F Gm F Gm F  
But that was love and it's an ache I still remember

[Verse 2]

Gm F Gm F Gm F Gm F  
You can get addicted to a certain kind of sadness  
Gm F Gm  
Like resignation to the end  
F Gm F Gm F  
Always the end  
Gm F Gm F  
So when we found that we could not make sense  
Gm F Gm F  
Well you said that we would still be friends

Gm F Gm F Gm F Gm F  
But I'll admit that I was glad that it was over

[Chorus]

Gm F D# F  
But you didn't have to cut me off  
Gm F D#  
Make out like it never happened  
F Gm  
And that we were nothing  
F D# F  
And I don't even need your love  
Gm F  
But you treat me like a stranger  
D# F  
And that feels so rough  
Gm F D# F  
You didn't have to stoop so low  
Gm F D#  
Have your friends collect your records  
F Gm  
And then change your number  
F D# F  
I guess that I don't need that though  
Gm F D# F  
Now you're just somebody that I used to know

Gm F D# F

Gm F D# F  
Now you're just somebody that I used to know

[Verse 3]

Gm F Gm F Gm F Gm F  
Now and then I think of all the times you screwed me over  
Gm F D# F Gm F Gm F  
But had me believing it was always something that I'd done  
F  
And I don't wanna live that way

Reading into every word you say

You said that you could let it go
