Like when you said you felt so happy you could die
 G Am
               G
Told myself that you were right for me
Am G
             Am G
But felt so lonely in your company
          Am
      G

[Verse 2]
           Am G Am
You can get addicted to a certain kind of sadness
     G
Like resignation to the end
     Am G Am G
Always the end
               Αm
So when we found that we could not make sense
     G
              Am
Well you said that we would still be friends
```

```
But I'll admit that I was glad that it was over
[Chorus]
                   F G
 But you didn't have to cut me off
Am G
Make out like it never happened
          Am
  G
And that we were nothing
G F G
And I don't even need your love
Am
But you treat me like a stranger
  F G
And that feels so rough
Am G F
You didn't have to stoop so low
Am G F
Have your friends collect your records
And then change your number
I guess that I don't need that though
               G
Now you're just somebody that I used to know
Am G F G
               G
                         F G
Αm
Now you're just somebody that I used to know
Am G F G
Am
                G
Now you're just somebody that I used to know
[Interlude]

[Verse 3]
                   Am
                                              Am G Am G
Now and then I think of all the times you screwed me over
                            G Am G Am G
 But had me believing it was always something that I'd done
```

And I don't wanna live that way

 Reading into every word you say
 You said that you could let it go
                                 N.C.
And I wouldn't catch you hung up on somebody that you used to know...
[Chorus]
Am G
                    F G
But you didn't have to cut me off
Am G F
Make out like it never happened
 G Am
And that we were nothing
G F G
And I don't even need your love
     Am G
But you treat me like a stranger
 F G
And that feels so rough
Am G F G
You didn't have to stoop so low
Have your friends collect your records
And then change your number
I guess that I don't need that though
      G F
Now you're just somebody that I used to know
[Outro]
    Am G F G
Somebody (I used to know)
                        G
                              F G
Somebody (Now you're just somebody that I used to know)
    Am G F
Somebody (I used to know)
                             F G
                         G
Somebody (Now you're just somebody that I used to know)
Am G F
 I used to know
 \hbox{Am} \quad \hbox{G} \qquad \quad \hbox{F} \qquad \quad \hbox{G} 
     That I used to know
Am G F G
     I used to know
    Am G F G
```

Somebody...
