[Verse]
A# Dm
                      A# Dm
 This world will never be what I expected
               Am C
And if I don't belong, who would have guessed it
                      Dm A#
       A#
  I will not leave alone everything that I own
Dm
To make you feel like it's not too late
It's never too late
[Chorus]
Dm A#
             Am
  Even if I say
           Dm
It'll be alright
                   Am
Still I hear you say you want to end your life
          Am
Now and again we try to just stay alive
           Dm
                                          Am
Maybe we'll turn it all around, 'cause it's not too late
It's never too late
