[Chorus]
N.C. A#add9
When I'm away from you
I'm happier than ever
Wish I could explain it better
                Cm7
I wish it wasn't true, mmm
       A#add9
Give me a day or two
To think of something clever
                Gm
To write myself a letter
                 Cm7 F
To tell me what to do, \, mm-mm
[Verse 1]
A#
 Do you read my interviews?
  D7
Or do you skip my avenue?
When you said you were passin' through
Was I even on your way?
I knew when I asked you to (When I asked you to)
Be cool about what I was tellin' you
You'd do the opposite of what you said you'd do (What you said you'd do)
      Cm7b5
And I'd end up more afraid
             D7
Don't say it isn't fair
                                       Gm/F C/E
                                  Gm
You clearly weren't aware that you made me miserable, ooh
          Cm7
So if you really wanna know
[Chorus]
When I'm away from you (When I'm away from you)
                D7
I'm happier than ever (I'm happier than ever)
                        Gm
Wish I could explain it better (Wish I could explain it better)
                Cm7 F
                             A#
```

```
I wish it wasn't true, mmm

[Verse 2]
              D7
You called me again, drunk in your Benz
             D#
                    D#m
Drivin' home under the influence
                D7
You scared me to death but I'm wastin' my breath
                D#
                              D#m
'A#ause you only listen to your fuckin' friends
A#
                   D7
I don't relate to you
I don't relate to you, no
                A#
'A#ause I'd never treat me this shitty
          Gm D#
You made me hate this city
[Bridge]
                A#
And I don't talk shit about you on the internet
          Gm
Never told anyone anything bad
'A#ause that shit's embarrassing, you were my everything
              Gm
And all that you did was make me fuckin' sad
So don't waste the time I don't have
   Gm
And don't try to make me feel bad
                  A#
                                            D7
I could talk about every time that you showed up on time
But I'd have an empty line 'cause you never did
Never paid any mind to my mother or friends, so I
Shut them all out for you 'cause I was a kid
[Outro]
A#
You ruined everything good
       Gm
                             D#

Always said you were misunderstood
A# D7

Made all my moments your own
Gm D#

Just fuckin' leave me alone
